The Montgomerie Maxx Royal

The Montgomerie name is synonymous with quality, and his unique and keen understanding of golf will ensure that the course which bears his name is indeed a masterpiece.

Turkey is an up and coming golf destination and to be given the opportunity to design a course in this developing market is a great honour. I hope that the work we have done will further enhance the Belek region as a top golfing destination. I hope that you enjoy your visit to The Montgomerie Maxx Royal Course, Golf Club.

Belek Region...

Golf courses are also helping the protection of natural life in Belek.

Belek region is the second largest known nesting area for sea turtles in the world. The region is very rich in flora and fauna as it hosts various habitats with different characteristics such as forest, river, stream, agricultural areas, aquatic habitats and sand dunes.

The region with its five-star hotels, first-class holiday villages and superior golf courses is becoming the new golf course center of Turkey. All of the facilities that have been designated to provide a first-class atmosphere for golf lovers, families and meticulously offer many opportunities and services aimed at pleasing their guests. Golf courses are also helping the protection of natural life in Belek.

The only way to experience the privilege of playing superior golf in such a magnificent nature with the help of its mild climate in every month of the year is to get there and live it.
